2019 MASTERS CONTEST

Same basic rules as always 5 bones gets you into the fun, and as is the grand tradition of our contest this will be winner take all. You must pick a 5-man team for the Masters with a **salary cap of 65 points**, you cannot go over the limit but you do not have to spend all 65 points. Scoring for this tournament will be by adding the scores of your 5 players together (in relation to par i.e. +1, -1, -2, E, +2 = Even). Any player that misses the cut, or withdraws, or doesn't complete a round for any reason will be assessed a score of +10 for each round not played. The winner will be the entry with the lowest score in relation to par. When choosing your team from the list below, please double check your total if you go over your entry will be disqualified, and also take note that the former champions near the bottom of the table may or may not compete. Don't forget to include your entry name, and the tiebreakers (+1, -1, etc). Please use the Reference box if you are turning in a group, so that will be able to get a hold of them if they win. You must have your entry turned in first thing in the morning on **Thursday April 11th**, absolutely no late entries will be accepted. JB3
